**Comments:**

- I think everything is good. We have PPT [PowerPoint] that is really helpful and review day for the exams. And extra credit is also a way to increase GPA. Group work and candy can help students participate in the class and encourage us to learn more.
- I think she is a great teacher, but I hope she can explain things more deeply.

- Time is short but Riley is really good at teaching us for the first semester. Appreciate your efforts!
